E-testing online

Our company

Created in 1998 in Nantes, in partnership with recruitment and training professionals, E-testing leans on 15 years of constant innovation to offer you a quality solution that meets your needs.

E-testing occurs everywhere in France, in Europe and worldwide

Our offer

We support companies in their projects

♦ Of recruitment :
  • Find the best candidates in adequacy with the skills wanted
  • Quickly Validate the best profiles
  • Evaluate technically the candidates

♦ Of training :
  • Identify the skills needed to help the evolution of your employees
  • Diagnose training needs
  • Validate acquired skills

Our values

♦ A desire to satisfy our customers
♦ Our commitment "Proximity - Availability - Reactivity"
♦ A permanent assistance during the setting up
♦ A constant innovation to provide the right solution permanently

E-testing's +

♦ An easy solution to implement
♦ A complete and simple interface
♦ An all services offer (training, interface, integration of paper tests)
♦ A reactive Hotline
